Drink Great Coffee...Send a Kid to Camp

Young Life Fox Valley is partnering with 41 & Change Coffee Co. to help send kids to Young Life camp June 24th-June 30th! For every bag of coffee you purchase, \$10 will help send a Fox Valley kid to camp!

For over 35 years, Young Life has been in the Fox Valley, reaching out to kids, building relationships, having fun and proclaiming hope found in Jesus Christ. We currently have clubs in Appleton and Neenah serving over 120 kids. Find out more about Young Life Fox Valley by visiting foxvalley.younglife.org.

41 & Change Coffee is fair trade coffee grown in the mountains of Nicaragua. It has won in a blind taste test against eight different Kona coffees and consistently earns high cupping scores by the Specialty Coffee Association. One hundred percent of their profits go towards sending Nicaraguan kids to Young Life summer camps. Find out more about 41 & Change Coffee Co. by visiting 41change.com.
